Press Release

Russ Bukowski Appointed President of Mastercam

Tolland, CT, April 15, 2025

Tolland CT - Mastercam, a global leader in CAD/CAM solutions is pleased to announce the appointment of Russ Bukowski as its President. Acting as the interim President since December 2024, Mr. Bukowski is ideally suited to lead the company through its next phase of growth and expansion.

With over 20 years of experience in strategy development and organizational leadership, Mr. Bukowski will guide Mastercam's strategic direction as the company continues to strengthen and further expand its market-leading position in CAD/CAM space.

Having previously served as the company's Executive Vice President and Chief Strategy Officer, Mr. Bukowski has a profound understanding of Mastercam and its critical role within Sandvik Manufacturing Solutions.

"I am pleased to announce the appointment of Russ Bukowski as the new President of Mastercam. He has demonstrated exceptional leadership and strategic vision during his role as acting President. With a long and distinguished career within the Mastercam organization, Russ brings a deep understanding of our offerings and culture.," said Mattias Nilsson, President of Business Area segment Sandvik Manufacturing Solutions. Mastercam has been an integral part of Sandvik Manufacturing Solutions since 2021.

Bukowski commented, "I am honored to be leading the Mastercam organization into the future. Mastercam has made an incredible impact in both the software and manufacturing industries for over four decades, thanks to our amazing users, employees and partners. I look forward to continuing our growth journey and further strengthening our position as a world leader in CAD/CAM software for many more decades to come."
